Issue:	A

Cat. No.	9645
Name:	PREMIUM Roofer's Holder

Description

Very practical, this holder (Cat. No. 9645) lets you keep essential tools close at hand, for successful completion of your work. This Express product enables surfaces to be uniformly and totally fluxed, providing the conditions for better quality welds.

Functions

- 1 Copper tip fluxing with the salmiak stone
- 2 Fluxing of zinc with the flux pot and brush
- 3 Four positions with clip for the brush (choice of ergonomic positions)
- 4 Anti-drip tab to wipe the brush
- 5 Four non-slip feet
- 6 Space to hold a spare stone on the back
- 7 Space to hold the flux pot cap
- 8 Cap for flux container
- 9 The stone is raised above the level of the plastic (so the tip doesn't burn the plastic)
- 10 The stone is raised above the level of the flux pot
- 11 Euro-hole for hanging on display rack or roof
- 12 Holder compatible for use with tinning paste (Cat. No. 852)

Spare parts

Cat. No. 9644	Brushes (in pack of 2)
