**Cat. No.** **6223CRA**  
**Name:** **Titan' Express Roofer's Pack with Fast Front Connector**

**Product:** Roofer's pack  
**Job:** Roofing, industry, etc.  
**Users:** Pro  
**Energy:** Propane

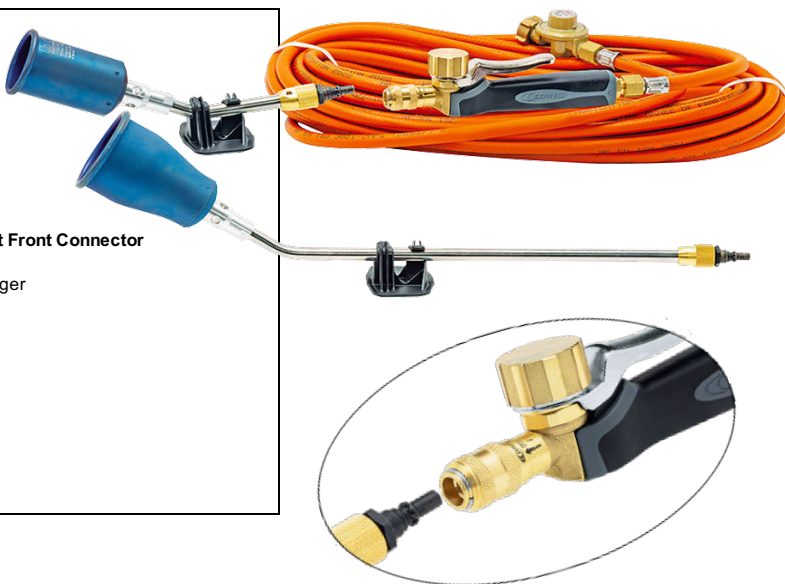

Unique concept enabling instant changing of burners.  
Specially designed for roofers.  
Makes it possible to switch from welding flat roof sections, in a standing position, to welding raised edges, in a kneeling position. All with no tools required, in less than 20 seconds.

**Areas of application**

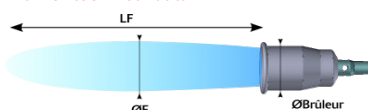

|                |              |
|----------------|--------------|
| Roofing        | Industry     |
| Drying         | Disinfection |
| Heating        | Weed removal |
| Ground marking | Signage      |
| Snow clearance |              |
